Artificial Mineral Water.

JUST received, exalted Soda Water, a pleasant and refreshing beverage, which in medicinal application has been found highly useful in calculous, gouty and rheumatic affections; it allays feverish irritations, and removes debility, produced by relaxation from excess, intemperance, &c.

It powerfully encreases the appetite, and promotes digestion, neutralizes acidities in the stomach, and corrects vitiated bile;—hence it will be found an agreeable remedy for, or preventive of, many diseases, particularly those which are most prevalent in warm weather—for sale by

Richard H. Litle,

Apothecary and Druggist, Fairfax street.

Other Mineral Waters are expected shortly, of which a supply will constantly be kept.

I offer for Sale,

MY estate in Hanover, called and known by the name of BULFIELD, containing 1674 acres, be the same more or less, together with the Negroes, between 60 and 70, mostly in families—also, all the stock of Horses, Cattle, Sheep, Hogs and Mules, and the Plantation Utensils.

Possession will be given of the whole as soon as a contract is concluded, including the present growing crops, at their estimated value. One fourth of the purchase money will be required in hand, and the balance in one and two years on interest. If a sale of the land should not take place before the 1st of August, the negroes, stock, &c. will be sold on that day, together with the standing corn, and the estate leased for a term of years.

I have also for sale about 16,000 Acres of Military Lands in the States of Ohio, Kentucky, and the Indiana Territory, besides 7000 Acres in the county of Mason and State of Virginia near the Ohio. For a particular description of all which and for terms of sale, apply to Mr. Thomas Taylor, of Richmond, or to

John Hopkins.

March 25. 2aw2m.

Mill for Sale.

I will sell or I will let, for a Term of years, a grist and merchant Mill & 70 acres of good fertile land in Fairfax county, Virginia, on the direct road leading from Leesburg to Alexandria, 21 miles from the former and 18 to the latter, and 13 to Georgetown and the City of Washington, and not more than three miles from the great falls of the Potomac river, and 30 miles from any other merchant mill, and in a good neighborhood for wheat, corn, rye, &c. and it being so immediately on the road where all kinds of horse food will sell to a great advantage. The Mill House is built with brick; it is 41 feet by 50 and 3 stories high, and on a never failing stream, with 2 water wheels, one pair of good country stones, and one pair of five feet French Burrs of a good quality, and a convenience for another pair, part of the works already framed, and seasoned timber sufficient to finish them; it has every convenience and necessary machinery for the manufacturing flour and country work. The works are almost new and in complete order, with a good dwelling-house, kitchen, cooper's shop & other buildings necessary, and a good peach orchard. There is about 2 acres of improved meadow, and 6 or 8 more may be added; the balance is well timbered. A farther description is unnecessary, as the purchaser will first view the premises.

TO LEASE,

Two LOTS, handsomely situated—one at the corner of Royal and Wilkes streets—the other at the corner of Pitt and Wolfe streets. There is a small Frame House on the lot. They will be disposed of on moderate terms. Enquire of William Ramsey, or J. J. Ramsey.

April 15.

The Subscriber

Offers for Sale on moderate terms, the following VALUABLE PROPERTY.

A LOT of Ground, situate at the lower end of Fairfax Street, running with the said Street one hundred and seventy-six feet, seven inches—fronting on Jefferson Street, one hundred and twenty-three feet five inches, and containing half an acre. The improvements on this Lot, consist of an excellent and completely finished two story brick Dwelling House, with every convenient out house—a good Pump in the yard, and a Garden, which with proper attention might be made highly productive.

ALSO,

A small piece of Wood Land, containing fifteen and one half acres, fronting on the Mount Vernon road, adjoining the country seat of Mr. Andrew Jamieson, and about 3 miles from the town. This land is not more than one quarter of a mile from the Hunting Creek Turnpike Road, and it is supposed will average about 35 or 40 cord of wood to the acre.

Also, a Tract of Land on the South side of Hunting Creek about two hundred yards from the Turnpike Road, containing fifty-one acres. Upon this Tract are several beautiful sites for building, commanding a view of Alexandria, Washington, a part of Georgetown, & a considerable length of the river. It has some good low ground and a valuable Pocosin attached to it. Apply
